

Remarks

The subject application is divisional of U.S. application Serial No. 09/269,939, filed May 28, 1999. Upon further review of this application, it appears that a portion of the Sequence Listing was inadvertently omitted when the subject application was filed on August 27, 2003. In view of the incorporation statement found in Box 18 of the Utility Patent Application Transmittal form, Applicants respectfully submit that this amendment to the application does not constitute new matter and now submit the entire Sequence Listing of the parent application which consists of 80 pages. This amendment is also made to conform the application with the provisions of 37 CFR §§1.821 through 1.825. I hereby certify that the paper and computer readable copies contain the same information and that no new material is added by this submission. Entry and consideration of the amendment presented herein is respectfully requested and that entry of the papers be permitted.

The Commissioner is hereby authorized to charge any fees under 37 CFR 1.16 or 1.17 as required by this paper to Deposit Account No. 19-0065.

Respectfully submitted,

Frank C. Eisenschenk, Ph.D.
